## **One Week Online Workshop on Privacy and Cyber Security**

*Organized by Department of CSE*

*In association with CSI*

**31st Jan-5th Feb 2022**

### About the Department

The Department of Computer Science and Engineering was established in 2007 with an intake of 60 for Under Graduate Program and enhanced to 300 in 2012 and then to 420 in 2014.

Department is equipped with dedicated and experienced faculty who continuously upgrade their skills under the guidance of the founder Director Neil Gogte, who is one of the stalwarts in Computer Science & Engineering. The department highly encourages Industry Institute Interaction to bridge the gap between Industry and the Institute by fulfilling their expectations in conduction of various workshops for students on latest emerging trends and technologies, which makes the students to explore and undertake challenging tasks confidently. The department has collaboration with reputed Organizations to explore, build, develop and enhance technical skills in trending technologies among faculty and students.
